### About me

A UI/UX Designer by profession, with a background in Information Technology from Amity University, Ranchi, and schooling from DAV Public School, Khunti. Started out at a startup company and currently working as a freelancer on Fiverr, delivering design solutions to clients globally.

A practicing Hijabi Muslimah who offers five daily prayers and believes in balancing both Deen and Duniya—staying rooted in Islamic values while continuing to grow personally and professionally. Simple, creative, and committed to living a purposeful life.

**Height- 5'1" DOB- 9/12/2002**
